## ***Disclosing concerns***

Anyone with any safeguarding concerns should report them immediately to one of the following: the incumbent (vicar), the parish safeguarding officer, the parish safeguarding assistant, or the office manager. If none of these is available, they should speak to a church warden. They should not discuss their concerns with anyone else.

In emergency situations, they should contact:

- The Local Authority Children's Social Care: 0300 123 1116
- The Local Authority Adult's Social Care: 0300 1234131

## ***Receiving a report***

Those authorised individuals receiving a safeguarding report must follow the procedures set out in the separate document, "Safeguarding Team Guide" held on SharePoint.

## ***Parish Safeguarding Handbook***

In all aspects of safeguarding, we must comply with the further guidance issued by the Church of England in its Parish Safeguarding Handbook, also held on SharePoint.

## ***Training***

The Parish Safeguarding Officer, or Assistant Parish Safeguarding Officer, must ensure that all clergy, lay readers, front-line staff, parish safeguarding officers, church wardens, other PCC members, and those volunteers working with children or vulnerable adults, have undertaken the appropriate safeguarding training, as set out by the latest Church of England requirements.

Training is provided locally and through the Church of England online portal. The level of training depends on the level of responsibility that goes with the role carried out, but the courses cover:

- Basic awareness & foundations training.
- Parish safeguarding officers' training.
- Safeguarding leadership training.
- Spiritual abuse training.
- Raising awareness of domestic abuse.
- Safer recruitment and people management.
- Clewer initiative – modern slavery.
