Life Group Questions

Based on the sermon at 9.15am service at St Martin's on Easter Sunday

Readings: John 20:1-18 and Acts 10:34-43

1. What does the resurrection of Jesus reveal about the nature and power of God in relation to death and human history?
2. Why is the historical reality of the resurrection central to Christian faith, rather than simply the disciples' feelings of hope or inspiration?
3. How should belief in the resurrection shape the mission and priorities of the Church in the world today?
