## At St Martin's Church

### Thank you from Mary's Meals

Thank you so much for your generous donations to our work feeding children in vulnerable communities at school. The funds you have given are enough to feed 97 children their daily meal for an entire school year. This makes a huge difference in the lives of children who eat Mary's meals, who otherwise often struggle to have the nutrition they need to concentrate and learn, or even stay in school each day. Bernadette, a young woman who ate Mary's Meals at school and is now a teacher in that same school says this: "I believe I am one of the girls who has truly emerged from poverty. With the arrival of Mary's Meals, things changed for the better. We no longer had to worry about hunger, and our minds were free to concentrate on our studies." Thank you so much for helping us keep our promise to children around the world.

With every blessing,  
Joanna Blake (Southwest Officer) and the rest of the team at Mary's Meals
