Message from Mustard Seed Relief Mission regarding Love in a Box:

Unfortunately, due to the ever-increasing cost to provide this lovely project the charity has decided that we can no longer afford to continue with our Love in a box project.

Team Mustard seed would like to thank each and every one of you for standing with us and supporting our mission – it has been an honour and a privilege to work with you all as together we have achieved so much for the children and created many happy smiles over the years.
